

The Lesbian and Gay **EQUALITY** Project

Legal Advice Centre

The Lesbian and Gay Equality Project

The Lesbian and Gay Equality Project is a non-profit, non-governmental organisation that works towards achieving full legal and social equality for lesbian, gay, bisexual, transgender and intersex people in South Africa. We do this through advocacy, public education, policy and legal reform, strategic/impact litigation and the provision of access to justice.

The Legal Advice Centre

The Legal Advice Centre is a project of the Lesbian and Gay Equality Project. Its primary function is to provide access to justice for all LGBTI people in South Africa through the provision of legal advice. The Centre is the only one of its kind in Africa. We provide assistance to all LGBTI people on all matters of discrimination on the basis of sexual orientation, including but not limited to drafting of partnership agreements, wills, living wills, assisting clients with pensions, medical aid, immigration, rights at work and domestic violence matters. In short, we service the legal needs of the lesbian and gay community.
